COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, MARCH 11, 2002

APPLICATION OF

COX VIRGINIA TELCOM, INC.

CASE NO. PUC020005

For waivers of the Three-Call Allowance Requirement, price ceilings for directory assistance, directory listings and certain operator services, and request for expedited review

**ORDER GRANTING MOTION  
FOR EXTENSION OF DEADLINES**

On February 27, 2002, the State Corporation Commission ("Commission") entered its Order Prescribing Notice and Inviting Comments and Requests for Hearing in this matter requiring Cox Virginia Telcom, Inc. ("Cox" or "Company"), to provide notice to its customers of its Application through a bill insert on or before April 8, 2002; requiring Cox to provide proof of the notice to the Commission on or before April 22, 2002; and allowing for comments or requests for hearing to be filed with the Commission on or before April 30, 2002.

On March 8, 2002, Cox filed a Motion for Extension of Deadlines to Provide Notice to Customers, to Provide Proof of the Notice, and to File Comments and/or Requests for Hearing, and for Approval of a Modification to the Required Notice. Cox states in its Motion that because of the structure of its billing cycle, the last customers would not receive their bill insert notification of the Application until April 15, 2002, which is one week beyond the April 8, 2002, deadline in the Commission's Order. Cox is seeking a modification to the Commission's February 27, 2002, Order as follows to allow all of its customers an equal opportunity to comment or request a hearing in this matter: (1) on or before April 15, 2002, Cox shall provide notice to its customers of its Application through a bill insert; (2) on or before April 29, 2002,

counsel for Cox shall provide to the Commission its proof of notice; and (3) comments and/or requests for hearing shall be due on or before May 7, 2002. The Company states that it is prepared to begin inserting the revised notice in bills going out on March 16, 2002.

NOW THE COMMISSION is of the opinion and finds that Cox's Motion is reasonable and should be granted to allow all customers sufficient time to receive notification of the Application and respond.

Accordingly, IT IS THEREFORE ORDERED THAT Cox's Motion filed March 8, 2002, shall be granted, and the Commission's Order of February 27, 2002, in this matter shall be modified as follows:

(1) On or before April 15, 2002, Cox shall provide notice to its customers of its Application through a bill insert. The notice shall be as previously ordered with modifications made to the due dates.

(2) On or before April 29, 2002, counsel for Cox shall provide to the Commission proof of the notice required in Ordering Paragraph (3) of the February 27, 2002, Order.

(3) Comments concerning Cox's Application or requests for hearing, or both, may be filed with the Clerk of the Commission on or before May 7, 2002.

(4) All other provisions of the February 27, 2002, Order shall remain in full force and effect.

(5) This matter is continued generally.
